

Did you know?

- All cases of fevers, asthma can go into dehydration?
- All cases of GI symptoms need diet/ fluid correction?
- Diet therapy is essential NOT only in diabetes, HTN, IHD but in most clinical conditions?
 - Treatments of hair fall/ acne is diet dependent?
- Have you wondered why most of the 'tonics/ supplements' prescribed by you do not yield desired results.

Learn, all this and much more...
